Lily Pad

👁 26 ✓ 1 ★ 3

Chapter 1 by Story Wars

I wish I never touched that lily pad. It has taken over and ruined my life. I can't ever defeat it and it is taking over everything. Some help me plz even if there is no way you can hear me. I thought she was the right one but I was wrong. She looks so pretty you couldn't ever tell. Why did this ever have to happen.

Chapter 2 by Aaron Hartmann

Here name was Lily. She was the local hottie. One day she decided to enter my life. She came up to me and used her seductive looks to make me get in bed with her. Now, she has my wallet, which has my credit card in it, who knows where.

I just wish that I never let her into my life. I wonder how many men she has done this to before. It just makes me sick to know that there are people out there who can do these kinds of things.
